§ 261.10 Increase in future benefits where time period for reopening has expired.

If, after the time period for reopening under § 261.2(b) of this part has expired, new evidence is furnished showing a different date of birth or new evidence is furnished which would cause a correction in a record of compensation as provided for in part 211 of this chapter and, as a result of the new evidence, increased benefits would be payable, the Board will pay increased benefits, but only for the months following the month the new evidence is received.

§ 261.11 Discretion of the three-member Board to reopen or not to reopen a final decision.

In any case in which the three-member Board may deem proper, the Board may direct that any decision, which is otherwise subject to reopening under this part, shall not be reopened or direct that any decision, which is otherwise not subject to reopening under this part, shall be reopened.

§ 266.1 Introduction.

(a) *Explanation of representative payment.* This part explains the principles and procedures that the Board follows in determining whether to make representative payment and in selecting a representative payee. It also explains the responsibilities that a representative payee has concerning the use of the funds which he or she receives on behalf of an annuitant. A representative payee may be either a person or an organization selected by the Board to receive benefits on behalf of an annuitant. A representative payee will be selected if the Board believes that the interest of an annuitant will be served by representative payment rather than direct payment of benefits. Generally, the Board will appoint a representative payee if it determines that the annuitant is not able to manage or direct the management of benefit payments in his or her interest.

(b) *Statutory authority.* Section 12 of the Railroad Retirement Act provides that every annuitant and claimant shall be conclusively presumed to have been competent until the date on which the Board receives a notice in writing that a legal guardian or other person legally vested with the care of the person or estate of an incompetent or a minor has been appointed: Provided, however, That despite receiving such notice, the Board may, if it finds the interests of such annuitant or claimant to be served thereby, recognize actions by, conduct transactions with, and make payments to such annuitant or claimant.

(c) *Policy used to determine whether to make representative payment.* (1) In accordance with section 12 of the Railroad Retirement Act, the Board's policy is that every annuitant has the right to manage his or her own benefits. However, some annuitants due to mental or physical condition or due to their youth may be unable to do so. If the Board determines that the interests of an annuitant would be better

Railroad Retirement Board

§ 266.4

served if benefit payments were certified to another person as representative payee, the Board will appoint a representative payee in accordance with the procedures set forth in this part. The Board may appoint a representative payee even if the annuitant is a legally competent individual. If the annuitant is a legally incompetent individual, the Board may appoint the legal guardian or some other person as a representative payee.

(2) If payment is being made directly to an annuitant and a question arises concerning his or her ability to manage or direct the management of benefit payments, the Board may, if the annuitant is 18 years old or older and has not been adjudged legally incompetent, continue to pay the annuitant until the Board makes a determination about his or her ability to manage or direct the management of benefit payments and the selection of a representative payee.

§ 266.2 Recognition by the Board of a person to act in behalf of another.

(a) Regardless of the receipt of written notice of the appointment of a guardian or other person legally vested with the care of the person or estate of an incompetent or a minor who is receiving or claiming benefits or to whom any right or privilege is extended under the law, the Board may, in its discretion, validly recognize actions by and conduct transactions with others acting on behalf of the individual found by the Board to be a minor or to be unable to manage his or her affairs, if the Board finds such actions or transactions to be in the best interest of such individual.

(b) In the absence of a written notice of the appointment of a guardian or other person legally vested with the care of the person or estate of an incompetent or minor, the Board shall, except where special circumstances appear, recognize a person to act on behalf of an individual under the following circumstances:

(1) When the individual has been adjudged mentally incompetent by a court having jurisdiction to do so;

(2) When the individual has been committed to a mental institution by a court having jurisdiction to do so;

(3) When the individual is an inmate of a mental institution;

(4) When the individual is less than 16 years of age; or

(5) When the individual is between 16 and 18 years of age and is in the care of another person and does not have the capacity to act on his or her own behalf.

§ 266.3 Information considered in determining whether to make representative payments.

In determining whether to make representative payment, the Board may consider the following information:

(a) *Evidence of legal guardianship.* Evidence of the appointment of a legal guardian or other person legally vested with the care of the person or estate of an incompetent or a minor shall be a certified copy of the court's determination.

(b) *Medical evidence.* The Board may use medical evidence, when such is available, to help determine whether an annuitant is capable of managing or directing the management of benefit payments. For example, a statement by a physician or other medical professional based upon his or her recent examination of the annuitant and his or her knowledge of the annuitant's present condition will be used in the Board's determination, if it includes information concerning the nature of the annuitant's illness, the annuitant's chances for recovery and the opinion of the physician or other medical professional as to whether the annuitant is able to manage or direct the management of benefit payments.

(c) *Other evidence.* The Board may also consider statements of relatives, friends, and other people in a position to know and observe the annuitant, which contain information helpful to the Board in deciding whether the annuitant is able to manage or direct the management of benefit payments.

§ 266.4 Information considered in selecting a representative payee.

In selecting a representative payee, the Board tries to select the person, agency, organization or institution that will best serve the interest of the annuitant. In making this selection,

§ 266.5

20 CFR Ch. II (4–1–00 Edition)

the Board may consider such factors as the following:

(a) The relationship of the person to the annuitant, including the type of relationship, *e.g.*, family or legal guardianship; degree of relationship, if the person is a family member; and the length of association, if a non-family member;

(b) The amount of interest that the person shows in the annuitant, including the contributions the person makes to the welfare of the annuitant and the contacts and frequency of such contacts with the annuitant;

(c) Any legal authority the person, agency, organization or institution has to act on behalf of the annuitant;

(d) Whether the potential payee has custody of the annuitant;

(e) Whether the potential payee is in a position to know of and look after the needs of the annuitant;

(f) Verification of the social security account number, name, address, telephone number, place of employment, and main source of income if applicable, accepted as part of any person's application for designation as a representative payee, unless such person's identification has already been established to the satisfaction of the Board;

(g) Whether an applicant for designation as a representative payee has ever been convicted of a felony or misdemeanor under the statutes administered by the Board or the Social Security Act, or convicted of a felony under any other Federal or State law; and

(h) Whether the services of such person as representative payee have previously been terminated, suspended, or declined by the Board or the Social Security Administration for:

(1) Misuse of the benefits of the annuitant for whom they were intended;

(2) Failure to comply with any provision of or regulation under the Railroad Retirement Act or the Social Security Act; or

(3) Failure to meet the requirements of this part.

(i) Whether the potential payee is a creditor of the annuitant. A creditor who provides goods and services to the annuitant ordinarily may not serve as a representative payee unless such appointment poses no substantial conflict of interest and unless the creditor is:

(1) A relative who resides with the annuitant;

(2) A legal guardian or legal representative of the annuitant; or

(3) A licensed or certified care facility (or owner, administrator or employee thereof) where the annuitant resides.

§ 266.5 Order of preference in selecting a representative payee.

As a guide in selecting a representative payee, categories of preferred payees have been established. These preferences are flexible. The primary concern of the Board is to select the payee who will best serve the annuitant's interest. The preferences are:

(a) For annuitants 18 years old or older, the preference is:

(1) A legal guardian, spouse, or other relative who has custody of the annuitant or who demonstrates strong concern for the personal welfare of the annuitant;

(2) A friend who has custody of the annuitant or demonstrates strong concern for the personal welfare of the annuitant;

(3) A public or nonprofit agency or institution having custody of the annuitant;

(4) A private institution operated for profit and licensed under State law, which has custody of the annuitant; and

(5) Persons other than those listed above who are qualified to carry out the responsibilities of a representative payee and who are able and willing to serve as a payee for an annuitant; *e.g.*, members of community groups or organizations who volunteer to serve as representative payee for an annuitant.

(b) For annuitants under age 18, the preference is:

(1) A natural or adoptive parent who has custody of the annuitant, or a legal guardian;

(2) A natural or adoptive parent who does not have custody of the annuitant, but is contributing toward the annuitant's support and is demonstrating strong concern for the annuitant's well-being;

(3) A relative or stepparent who has custody of the annuitant;

(4) A natural or adoptive parent who does not have custody of the annuitant

Railroad Retirement Board

§ 266.7

and is not contributing toward his or her support but is demonstrating strong concern for the annuitant's well-being;

(5) A relative who does not have custody of the annuitant but is contributing toward the annuitant's support and is demonstrating concern for the annuitant's well-being;

(6) A relative or close friend who does not have custody of the annuitant but is demonstrating concern for the annuitant's well-being; and

(7) An authorized social agency or custodial institution.

§ 266.6 Information to be submitted by a representative payee-applicant; face-to-face interview.

Before the Board selects a representative payee, the Board may request the payee-applicant to provide information concerning the factors listed in § 266.4 of this part. An employee of the Board may also conduct a face-to-face interview with the payee-applicant.

(Approved by the Office of Management and Budget under control number 3220-0052.)

§ 266.7 Accountability of a representative payee.

(a) A representative payee is accountable for the use of benefits. The Board will require periodic written reports from representative payees. The Board may also, at the Board's option, verify how a representative payee used benefit payments. A representative payee must keep records of what was done with all benefit payments in order to make accounting reports. The Board may ask the following questions:

(1) The amount of benefit payments on hand at the beginning of the accounting period;

(2) How the benefit payments were used;

(3) How much of the benefit payments were saved and how the savings were invested;

(4) Where the annuitant lived during the accounting period;

(5) The amount of the annuitant's income from other sources during the accounting period. The Board may ask for information about other funds to enable the Board to evaluate the use of benefit payments; and

(6) Whether the representative payee has been convicted of a felony or misdemeanor offense under the statutes administered by the Board or by the Social Security Administration within the past 15 years or whether any such charges are pending.

(b) An individual to whom payments are certified as representative payee on behalf of an annuitant shall submit a written report in such form and at such times as the Board may require, accounting for the payments certified to him or her on behalf of the annuitant. If, however, such payee is a court-appointed fiduciary and, as such, is required to make an annual accounting to the court, a true copy of each such account filed with the court may be submitted in lieu of the accounting form prescribed by the Board. If any representative payee fails to submit the required accounting within a reasonable period of time after it is requested, no further payments shall be made to him or her on behalf of the annuitant unless for good cause shown, the default of the representative payee is excused by the Board, and the required accounting is thereafter submitted.

(c) At any time after the Board has selected a representative payee, the Board may ask such payee to submit information showing a continuing relationship to the annuitant and a continuing responsibility for the care of the annuitant. If the representative payee does not give the Board the requested information within a reasonable period of time, the Board may stop paying such payee unless the Board determines that the payee had a good reason for not complying with the Board's request, and the Board receives the information requested.

(Approved by the Office of Management and Budget under control numbers 3220-0052 and 3220-0151)

(d) Where, pursuant to paragraph (b) or (c) of this section, the Board suspends payments, such suspension shall not exceed a period of 30 days; thereafter, the payments will be made to the annuitant except where the annuitant is an unemancipated minor under age 18 or where in the Board's judgment the interests of the annuitant would

§ 266.8

not be served by releasing payment to the annuitant.

§ 266.8 Advance notice of the determination to make representative payment.

(a) As a general rule, whenever the Board intends to make representative payment and to name a representative payee, the Board will notify the annuitant or, in the case of an unemancipated minor under age 18, or an individual who is legally incompetent, the individual acting on his or her behalf of the Board's proposed actions. Such notice will tell the person that the Board plans to name a representative payee and who that payee will be. The notice will also ask the person to contact the Board within 15 days of the date of the notice if he or she objects to either proposed action. If he or she objects to either proposed action, the objecting party may—

(1) Review the evidence upon which the proposed actions will be based; and
(2) Submit any additional evidence regarding the proposed actions.

(b) If the objecting party objects to the proposed actions, the Board will review its proposed determinations and consider any additional information provided. The Board will then issue a decision on whether to appoint a representative payee and who that payee will be. If the objecting party is dissatisfied with either determination, he or she may request a reconsideration under part 260 of this chapter.

(c) If the objecting party does not file a timely objection to the proposed actions, the Board will issue a decision on whether to appoint a representative payee and who that payee will be. If the objecting party is dissatisfied with either determination, he or she may request a reconsideration under part 260 of this chapter.

(d) A request for reconsideration or an appeal from a determination under this section under part 260 of this chapter shall not prevent the Board from making payments to a representative payee during the pendency of such reconsideration or appeal.

(e) The Board's failure or refusal to select an individual as representative payee or the Board's termination of representative payee status with re-

20 CFR Ch. II (4-1-00 Edition)

spect to an individual is not subject to a request for reconsideration or an appeal under part 260 of this chapter by such individual.

§ 266.9 Responsibilities of a representative payee.

(a) A representative payee shall, subject to review by the Board and to such requirements as it may from time-to-time prescribe, apply the payments made to him or her on behalf of the annuitant only for the use and benefit of such annuitant, and in a manner and for purposes which are in the annuitant's best interests.

(b) A representative payee shall notify the Board of any event that will affect the amount of benefits the annuitant receives or the right of the annuitant to receive benefits.

(c) A representative payee shall notify the Board of any change in his or her circumstances that would affect performance of the payee responsibilities.

§ 266.10 Use of benefit payments.

(a) *Current maintenance.* Payments made to an individual as representative payee on behalf of an annuitant shall be considered as having been applied for the use and benefit of the annuitant when they are used for the annuitant's current maintenance. Current maintenance includes costs incurred in obtaining food, shelter, clothing, medical care, and personal comfort items.

Example: An aged annuitant is entitled to a monthly railroad retirement benefit of \$800. His son, who is his representative payee, disburses his benefits in the following manner:

Rent and utilities	\$500
Medical	50
Food	80
Clothing (coat)	90
Savings	60
Miscellaneous	20

The above expenditures would represent proper disbursements on behalf of the annuitant.

(b) *Institutional care.* If an annuitant is receiving care in a Federal, state, or private institution because of mental or physical incapacity, current maintenance includes the customary charges made by the institution in providing care and maintenance, as well as expenditures for those items which will

Railroad Retirement Board

§ 266.12

aid in the annuitant's recovery or release from the institution or expenses for personal needs which will improve the annuitant's conditions while in the institution.

(c) *Support of legal dependents.* If the current maintenance needs of the annuitant are met, the representative payee may use part of the payments for the support of the annuitant's legally dependent spouse, child, and/or parent.

(d) *Claims of creditors.* Where a debt arose prior to the first month for which benefits are certified to a representative payee, the representative payee may satisfy such debt out of present benefit payments only if the current and reasonably foreseeable needs of the annuitant are met.

Example: A retroactive railroad retirement annuity check in the amount of \$2,100, representing benefits due for November 1989 through January 1990, was issued on behalf of the annuitant to the annuitant's daughter, who is the representative payee. The check was certified in February 1990. The nursing home, where the annuitant resides, is owed money for maintenance expenses the annuitant incurred prior to February 1990.

If the accrual is not required for the annuitant's current maintenance and the annuitant had no foreseeable needs which would require large disbursements, the expenditure of the accrual or part thereof for the past due maintenance charges would be consistent with the Board's guidelines.

§ 266.11 Conservation and investment of benefit payments.

(a) *General.* If benefit payments made to a representative payee are not needed for the annuitant's current maintenance or reasonably foreseeable needs or the support of legal dependents or to pay creditors in accordance with § 266.10, they shall be conserved or invested on behalf of the annuitant. Such funds must be invested in accordance with the rules applicable to investment of trust estates by trustees. Any investment must show clearly that the representative payee holds the property in trust for the annuitant.

(b) *Preferred investments.* Preferred investments for excess funds are deposits in an interest or dividend paying account in a bank, trust company, credit union, or savings and loan association

which is insured under either Federal or State law, direct obligations of the United States Government or obligations for which both principal and interest are guaranteed unconditionally by the United States Government. The account must be in a form which shows clearly that the representative payee has only a fiduciary, and not a personal, interest in the funds. If the payee is the legally appointed guardian or fiduciary of the annuitant, the account may be established to indicate this relationship. If the payee is not the legally appointed guardian or fiduciary, the accounts may be established as follows:

(1) For U.S. Savings Bonds—

(Name of annuitant)

(Social Security Number), for whom

(Name of payee)

is representative payee for Railroad Retirement benefits;

(2) For interest or dividend paying accounts—

(Name of annuitant) by

(Name of payee), representative payee.

(c) *Interest and dividend payments.* The interest and dividends which result from an investment are the property of the annuitant and may not be considered to be the property of the representative payee.

(d) *Prohibition against commingling.* The representative payee shall not commingle his or her personal funds with the representative payments. A representative payee may consolidate and maintain an annuitant's funds in an account with other annuitants if he or she maintains a separate, accurate and complete accounting of each annuitant's funds under his or her control.

§ 266.12 Effect of matters or actions submitted or taken by legal guardian, etc.

All matters and actions in connection with an annuity submitted or taken by the guardian or other person legally vested with the care of the person or estate of an incompetent or a minor shall be considered by the Board in the same manner and with the same

§ 266.13

effect as though such matters or actions had been submitted or taken by the ward, if the ward had capacity to act in his or her own behalf; *Provided, however,* That the Board may, if it deems it necessary, require the guardian or other person legally vested with the care of the person or estate of an incompetent or a minor to submit a certified copy of an order from the court of appointment authorizing some particular action which the guardian or other person legally vested with the care of the person or estate desires to take in connection with the application.

§ 266.13 When a new representative payee will be selected.

When the Board learns that the interests of the annuitant are not served by continuing payment to the present representative payee or that the present representative payee is no longer able to carry out the payee responsibilities, the Board will undertake to find a new representative payee. The Board will select a new representative payee if the Board finds a preferred payee or if the present payee—

- (a) Has not used the benefit payments on the annuitant's behalf in accordance with the guidelines in this part;
- (b) Has not carried out the other responsibilities described in this part;
- (c) Dies;
- (d) No longer wishes to be representative payee;
- (e) Is unable to manage the benefit payments; or
- (f) Fails to cooperate, within a reasonable time, in providing evidence, accounting, or other information which the Board requests.

§ 266.14 When representative payment will be stopped.

If an annuitant receiving representative payment shows the Board that he or she is mentally and physically able to manage or direct the management of benefit payments, the Board will make direct payment to the annuitant. Information which the annuitant may give to the Board to support his or her request for direct payment include the following:

20 CFR Ch. II (4-1-00 Edition)

(a) A physician's statement regarding the annuitant's condition, or a statement by a medical officer of the institution where the annuitant is or was confined, showing that the annuitant is able to manage or direct the management of his or her funds;

(b) A certified copy of a court order restoring the annuitant's rights in a case where an annuitant was adjudged legally incompetent; or

(c) Other evidence which establishes the annuitant's ability to manage or direct the management of benefits.

§ 266.15 Transfer of accumulated benefit payments.

A representative payee who has conserved or invested funds from railroad retirement payments made to him or her on behalf of an annuitant shall, upon direction of the Board, transfer any such funds (including interest or dividends earned from investment of such funds) to a successor representative payee appointed by the Board, or, at the option of the Board, shall transfer such funds, including interest, to the Board for payment to a successor payee or to the annuitant.

§ 295.1 Introduction.

(a) *Purpose.* This part implements section 419 of Pub. L. 98-76 (97 Stat. 438), which amended section 14 of the Railroad Retirement Act to provide that, with respect to annuity amounts payable for months beginning with September 1983, the Board must comply with a court decree of divorce, annulment or legal separation, or with
